

**Grantee and Applicant Information:  
Unique Entity ID – UEI**

Unique Entity ID - (formerly DUNS#)

UEI's have replaced the DUNS# identification system (read more about the transition [here](#)) and are assigned through SAM.GOV. Unique Entity IDs are also different than your organization's EIN.

If your organization has a DUNS# / Sam.gov account (either active or in-active) a Unique Entity ID has already been assigned and can be found in your Sam.gov account. [Click here](#) for assistance in viewing your UEI.

If your organization is not registered in Sam.gov and you only want a Unique Entity ID (all that is required for United Arts Grants) [follow the steps in this guide](#).
