Letter to the Community

Orlando Philharmonic Orchestra

Dear Donors and Stakeholders:

This 2021 annual report is dedicated to our Board of Directors led by Brendan Lynch and our staff led by Interim President & CEO Juliana Steele, who fearlessly and tirelessly navigated our organization and the entire cultural sector through the global pandemic. Each day our staff and Board were committed to making sure we did not lose one cultural organization by deploying all of our resources to keep people employed, operating bills paid and programs continuing in unique and innovative ways. As you look at the list of funded organizations that you kept afloat with your generous giving, you can all be very proud.

Since my first day was June 21, 2021, I cannot take any credit for the valuable work that is reflected in this report; however, I am proud to carry the torch forward on the journey to enrich our communities by investing our time, talent, and resources to ensure that our cultural sector thrives and that we can meet the needs and creative aspirations of our community for years to come.

United Arts was founded in 1989 to unify the cultural sector in fundraising to ensure sustainable funding for the arts and to build a coalition of organizations to support one another and strengthen our

community together. In no other time has this united framework been tested like the pandemic. I know from my first year that not only are the organizations better than before, but are proving to be even more inspired to bring you a standard of excellence and creativity that can stand up against any other region in our nation.

We strive to be a catalytic resource for strengthening our cultural sector to serve our community in amazing ways, and we thank you for trusting us during such uncertain times with your valuable resources so together we can all thrive.

The 2021 Collaborative Campaign partners were: Art & History Museums – Maitland, Bach Festival Society of Winter Park, Central Florida Ballet, Central Florida Community Arts, Central Florida Vocal Arts/Opera del Sol, Crealdé School of Art, Downtown Arts District/CityArts Orlando, Enzian, Florida Symphony Youth Orchestras, Garden Theatre, Opera Orlando, Orange County Regional History Center, Orlando Ballet, Orlando Fringe, Orlando Museum of Art, Orlando Philharmonic Orchestra, Orlando Repertory Theatre, Orlando Science Center, Orlando Shakes, Snap! United Arts Grants

United Arts' grant programs provide funding opportunities for a wide variety of arts, science and history organizations at all stages of growth throughout Central Florida.

Operating Support Grants - Thirty-four cultural organizations received grants totaling \$2,288,000. Provides essential, unrestricted operating support for nonprofit arts and culture organizations with budgets of \$75,000 or more that provide a full season of programming. Panels of volunteers recommend grants through a competitive process based on artistic merit, management and fiscal responsibility, and service to the community.

Community Grants - Sixteen organizations received grants totaling \$31,500. Supports the incubation of ideas and creativity by providing funding for cultural programs, projects and events held by burgeoning multicultural and grassroots groups, art therapy programs, and a full season of offerings. A quarter of grantees received their first grant from United Arts through this program.

Diversity Grant Programs

To date, these grants have encouraged more than 40 United Arts-funded cultural groups to create programming that is inclusive and representative of the diverse communities in Central Florida. Over this past year, 18 diverse programs from local cultural organizations were funded through two grant processes that were funded by Duke Energy.

Diversity Grants – Eight organizations received grants totaling to \$28,500. Aimed to increase the participation of diverse communities in arts and culture through performance attendance, participating as artists and performers in the programming, and serving on volunteer committees and boards.

Diversity in the Arts - Ten organizations were awarded funds totaling to \$50,000. Supports audience, artists and community participation in programs provided by diverse arts and cultural groups. Of these grantees, 80% were new applicants to United Arts.

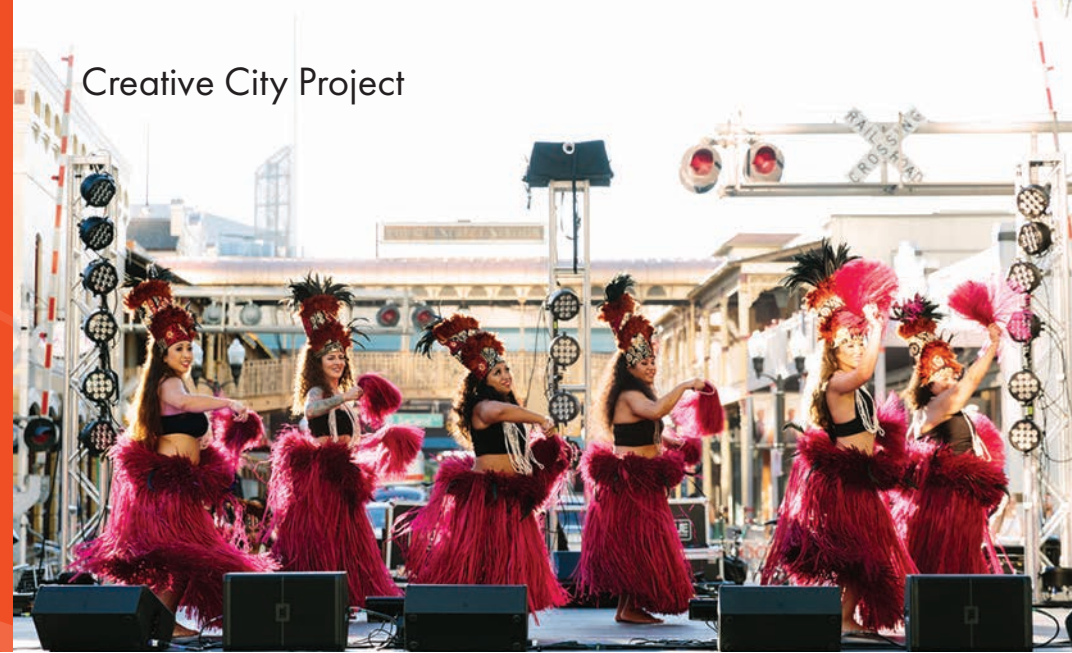

Public Funding for the Arts

United Arts partners with Orange County Arts & Cultural Affairs as fiduciary agent for the Tourist Development Tax (TDT)-supported programs, as recommended by Orange County Arts and Cultural Affairs Advisory Council and approved by the Orange County Board of County Commissioners. United Arts coordinates guidelines, workshops and communication, facilitates the application and panel review processes, and oversees the reporting and disbursements for funded projects.

As part of the Federal CARES Act, Orange County Government received \$243.2 million in Coronavirus Relief Funds. United Arts worked with the Orange County Arts & Cultural Affairs office and served as the local arts agency to ensure that a portion of these funds were disbursed into the arts and cultural sector and provided all reporting documents.

Creative City Project

Orange County Cultural Tourism Funding supports projects that enhance Central Florida's arts and cultural identity, rewards quality and promotes tourism to stimulate local economies and generate new jobs.

Blockbuster Funding supports arts and cultural projects that will generate national/worldwide attention, foster community-wide cultural collaborations, and attract attendance of 100,000+. In FY21, Blockbuster-funded projects supported Orlando Science Center, Presenting Pompeii: The Immortal City, and Creative City Project's IMMERSE.

Venue Subsidy Grants – Thirty-three organizations were awarded grants totaling \$737,580.70. Supported by an allocation from Orange County Government, this program encourages arts and culture programming throughout Orange County by subsidizing the rental costs of Orange County venues. Due to the challenges presented from the pandemic, the grant program noted \$40,289.93 in forfeitures.

FrontYard Festival Grants – Eleven organizations received awards to cover up to \$20,000 of venue costs. Underwritten by Orange County and City of Orlando, this grant supported groups to present events in the Dr. Phillips Center for the Performing Arts' FrontYard Festival.

Children in the Arts

Through the leadership and coordination of United Arts, over 700,000 student experiences are made possible annually. Our arts education partnerships include: Orange County Public Schools invested \$549,000 to partner with 24 organizations to provide schools with arts and cultural experiences. With COVID-19 restrictions, our partners offered 94,781 experiences, including select grade-wide access to the Orlando Philharmonic Orchestra, Orlando Shakes and the Orlando Ballet. Massey Services awarded United Arts a grant of \$20,000 for Arts and Cultural Access Funding. Through this funding, teachers were able to apply for arts enrichment programming in Lake, Orange, Osceola and Seminole counties, serving 7,290 students.
